## Scottie Scheffler

### Quick Quotes

**Q. Good close, 4-under 66 today. Just how are you feeling about that?**

SCOTTIE SCHEFFLER: Yeah, I felt like I played a little bit better today. Didn't have my best stuff this week but got some good feels today kind of going into next week. Got a few things I need to clean up but overall still feel like my game's in a good spot.

**Q. Maybe going out on a limb here, you're shifting gears to the U.S. Open but did in any way can this serve as kind of a tweak or a warm-up a little bit for that?**

SCOTTIE SCHEFFLER: For sure. It's definitely a good warm-up. I like playing the week before. This golf course actually has a fairly similar look to a few of the holes in Boston. So for me it was a really good prep week and these greens have a lot of slope, those greens have a lot of slope, so there's definitely some similarities which will help for next week.

**Q. Wanted to wrap up your week in Toronto. First time here. I'm Toronto born and raised always curious what people think of your city.**

SCOTTIE SCHEFFLER: Yeah, it's great. I had a ton of fun. We stayed down town, got some good food. I can't remember the names of any of the places, sadly. But we had some really good pizza last night, some good Italian the night before, then had some good steak before that. So we had a good week food-wise.

**Q. You've won so much this year, how do you kind of balance expectations and reality to say like you're not going to win today, I mean how do you gauge that as success and not when you don't win?**

SCOTTIE SCHEFFLER: Yeah, I'm just trying to come out here and do my best. I don't really over think things. It's just coming out here and trying to do the best I can and results will be the results. If I can't win this week I'll still approach next week the same, things don't really change

too much for me, just trying to do my best.
