Quick Quotes

Q. All right, here with Brooke Henderson. Just your round today, but I just wanted to ask you about the 17th hole there. You got such a loud ovation. How nice was that?

BROOKE HENDERSON: Yeah, that was pretty awesome. Just felt so much love all week and it's really been incredible. 17 was really special. I was really happy to see that putt go in because it was not an easy putt.

Everybody was so energetic and so supportive and it was a lot fun to hear that loud of a cheer. I guess you could hear it all the way in here from 17, which is pretty cool.

All week the crowds have just been phenomenal.

Q. How are you feeling going into the final round?

BROOKE HENDERSON: Yeah, today was a really solid day. Really happy to get six birdies on the card. Unfortunate to drop three shots with three bogeys, but I'm right there.

I think the birdies are really exciting and feel like I am really trending in the right direction. Hopefully get off to a fast start tomorrow and make even more.

Q. Just wondering what your opinion is on somebody going out there and shooting 61 on this golf course today.

BROOKE HENDERSON: Yeah, I'm assuming they tee'd off pretty early because there was no wind, so I feel like the conditions were very scorable. I feel like once you get it going on golf course I could see how that could happen. 'S a very impressive round.

But I could see how once you get into the flow, things can kind of go your way. With that being said, it's still a very tough golf course and you got to play smart. That's a very impressive round and I hope I can do it tomorrow.

Q. Can you just take us through your day.

BROOKE HENDERSON: Sure. I mean, I feel like overall it was really solid. Started to hit the ball a lot better, a lot closer to what I usually hit it like. Gave myself good opportunities for birdie, which is what you always want. Feel like get a couple more putts to fall tomorrow would be great and finish this week on a high.
