Quick Quotes

Q. Great week this week. How would you assess your round today?

KEVIN YU: Pretty solid today. I started really good for birdie, eagle. After that it was kind of a lot of ups and downs. Irons wasn't feeling that great today after the first two holes, but I hung in there and still tried my best out there.

I'm glad I finished great with three birdies in the last few holes and got into second place -- third -- I don't know where I am right now, third probably. Proud of how we fought today, and hopefully coming back next year will have better results.

Q. Your finish this week got you into The Open. What does that mean to you?

KEVIN YU: It means a lot. This is going to be my first time. It was definitely my goal coming into this week. So really glad we did it and hopefully play good in The Open too.
