Q. Taylor, another solid round for you. You came out really strong. What were you seeing on the course today?

TAYLOR PENDRITH: I feel like I didn't drive it very well today. I was kind of all over the place. Made a ton of birdies on the front, which was fun. Three-putted 9. It wasn't ideal.

Gave myself a lot of good chances 11, 12, 13, 14, and couldn't get a putt to go in. To birdie the last felt good. Kind of right in the mix of things. Hopefully I have a low one tomorrow.

Q. On Wednesday you were hoping it was going to firm up, get some warmer weather. That obviously happened today. What kind of difference did that make to this course?

TAYLOR PENDRITH: Today was a perfect day for golf. It wasn't too windy. I would say the fairways were firming up a little bit. The greens were still quite receptive, definitely a little firmer than yesterday.

I think the weather is supposed to be perfect the next two days. I think it will firm up a little bit more and provide a different type of challenge.
