## Tyler Mawhinney

### Quick Quotes

**Q. Tyler, first PGA TOUR event. Can you just talk about how you've been feeling, making the cut in your first event?**

TYLER MAWHINNEY: Yeah, it feels pretty good. A little nervous on the first couple holes yesterday, but kind of eased into the round and kind of settled in nicely.

**Q. What was your game plan going into the week? Were you expecting to make the cut, or you just wanted to enjoy the moment?**

TYLER MAWHINNEY: Yeah, I wanted to make the cut. I knew that I could if I played well. I really just wanted to come in and have fun and take it as a learning experience.

**Q. Can you talk about the course conditions in comparison to yesterday? Did that have any factor on how you played today?**

TYLER MAWHINNEY: They're in really good shape. The greens are a little soft. So that's probably why the scores are very low. To me, it played very similar to yesterday, but I also went off in the afternoon versus the morning today.

**Q. Tyler, you've had a lot of success in your career so far. Take us through the roller coaster of the last couple weeks emotionally, winning the Amateur Four-Ball and making the cut on Tour.**

TYLER MAWHINNEY: I've been playing pretty well lately. It was nice to get it done at the Four-Ball and nice to get it done here and make the cut. Hopefully I can continue that into the summer.

**Q. What were your expectations coming into this week? What were you thinking you could get done this week?**

TYLER MAWHINNEY: I think, again, making the cut would have been nice. I don't want to say that I came in here and only wanted to make the cut. Maybe top 20 would be nice.

**Q. And did you have any nerves yesterday? Or just coming down the stretch maybe even today as you were trying to get this one home?**

TYLER MAWHINNEY: Yeah, a little bit. I was definitely nervous on the 1st tee yesterday. Kind of started off a little shaky yesterday. I think it was mostly because of that.

About 4th hole, 5th hole -- I think I made -- I can't remember when I made birdie, about hole 7. Then I was like, okay, we can go play some golf now.
