Quick Quotes

Q. Okay, here with Jeeno after her final round at the CPKC Women's Open. Could you just describe this week for you? Looks like you're going finish in the Top 10.

JEENO THITIKUL: It's overall pretty good. I mean, I fix something on the week off like before coming here, but I feel kind of new with all the things that I fix.

But it's trending in the right direction and I just pretty happy about the result. It just like coming pretty good. It's still have maybe driver that have to fix a little bit, but overall it's good.

Q. Anything you kind of saw come through this week that you had been working on heading into the week. I know you just mentioned the driver.

JEENO THITIKUL: Yeah, I trying to like -- a part of my swing that I have been fixing, not just the driver but all the feels of the irons as well. I think I did pretty good with the iron part.

I think still has a little bit with the woods, like long woods and drivers.

Q. What was it? What was it in your swing that you were working on?

JEENO THITIKUL: I just trying to not be too steep when I hit the ball.

Q. And how would you describe this course this week? What did you like most about it?

JEENO THITIKUL: I do like it. I think it's pretty. I do love the greens. The greens so hard, the pin position was so hard, too. I mean, like you need to have really perfect putts every putt to drop it in the hole.

So I think overall it's really nice. It's not like a short course at all to play, so I think that's why the leaderboard is just two of them hitting out there, but all us was be like not too

far way from each other.

Q. Speaking of the leaderboard did you watch at all today and see where you were or just go into the day...

JEENO THITIKUL: I don't think I watch it like at the beginning at all, before 18 I guess. 18, 17 because I knew that they doing really good since yesterday and I thought definitely going to be the better between them.

Q. So you saw it coming?

JEENO THITIKUL: Yeah, I just feel it. I mean, like I know we're doing pretty good, like I mean, me and then all the rest, but I feel like they had a really good, good running, especially yesterday. I don't know how many eagles combined for both of them, but like, you know.

Q. It was a lot. Thank you so much.
