## Pajaree Anannarukarn

### Quick Quotes

**Q. All right, joining me now is Pajaree Anannarukarn after the third round at the CPKC Women's Open. You have been bunker playing pretty consistent golf this week and then you went out today and had a great day. Brought yourself up to currently top 10.**

Can you just talk a little about why you think today you were able to go out there and attack it just a little bit more?

PAJAREE ANANNARUKARN: Obviously it's a moving day, and you try to give yourself a lot of good opportunities and try to attack the pin when you can. I think I gave myself a good chance out there and I made some really good birdies out there, too, and some really good par saves.

So it's been a great day. I mean, I just had -- I was really being patience out there, so that's really one thing that helped me today, because the greens are really tricky. I just try to be really patience out there.

**Q. We had some people talk about the tough pins yesterday. Obviously they're a little bit different today heading into the weekend. Can you just talk about that a little bit, any differences you saw today.**

PAJAREE ANANNARUKARN: I still think it's play difficult, just same as yesterday. But again, I think there is a couple of up tees today so you could go a little aggressive just because you had a shorter iron in.

And I think, again, just really try to give yourself a lot of good chance out there and remain patience, and I think I did really well today.

**Q. Great round today. Heading into tomorrow with the final round, is there anything you're wanting to go work on or are you feeling like you're in a really great spot heading into the final round?**

PAJAREE ANANNARUKARN: Try to hit more fairways obviously and give myself a lot of good approach shots. Just try to attack when I can and just patience.

**Q. There are huge crowds out here. The Canadian fans are really lovely. Can you just talk about the support you've seen out here this week?**

PAJAREE ANANNARUKARN: Yeah, it's amazing. I always love coming back here and to actually get to meet some of my old friends as well when I first play out -- I think we had a tournament at the Magna Golf Club. That was my rookie year and I made a couple of friends and it's nice to catch up and just make more memories and also getting to meet a lot of fans out here. They been very nice, cheering on every one of us, so it's really cool.
